FURNITURE COLLECTION ²⁰²⁴

As AliGuler Furniture, we have been manufacturing and selling luxury classic home furniture all over the country since we were founded in Ankara in 1972. Experienced and creative craftsmen employed within our company directly under the supervision of the company founders are signing furniture designs that make a difference in the sector.

We carry out manufacturing with sustainable quality from first-class quality material with extremely meticulous workmanship performance. The hand-woven accents of the furniture are also to be perfectly fulfilled under the roof of our production facilities located in Ankara. Our company has been continuing to produce luxury furniture manufacturing with the highest possible standards since the day it started its activities.

As one of the leading organizations of the luxury furniture sector, we create trust in the sector with customer satisfaction because we manufacture our furniture designs with high quality and fine workmanship. Among our loyal customer base; There are customers we are in contact with from major retailers of the furniture industry to independent manufacturers, interior designers to individual customers in a wide perspective.

We offer products in optional design, price points and services suitable for every budget, as well as dealer support in the appropriate size for our customers' needs. Our valued customers have the opportunity to sell our products easily in luxury furniture requests along with the satisfaction they feel from our service quality.
